Деремова	3
Unit I. Energy Sources and Energy Saving	4
Text 1. What is energy?	4
Text 2. Saving of energy and energy conservation	10
Unit II. Alternative Energy Sources	14
Text 1. Alternative energy	16
Text 2. Hydro power	23
Text 3. Wind energy	28
Text 4. Solar energy	31
Text 5. Biomass energy	37
Text 6. Renewable diesel fuel	44
Text 7. Nuclear energy	51
Unit III. Energy Transportation	57
Text 1. Ukraine's gas transmission system	59
Text 2. Natural gas processing	66
Text 3. Gas pipelines	74
Text 4. Gas mains. Technical conditions and anticorrosion protection	80
Text 5. Compressor stations	86
Text 6. Storage of natural gas	90
Text 7. Oil transportation system of Ukraine	98
Text 8. Pipeline inspection and safety	102
Supplementary Reading	106
Англо-український вокабуляр	138
Список літератури	158
