Thus, there are the following trends in designing using national ethnic motifs:
- the allusions and links to the Ukrainians’ traditional associations;
- the imitation of interior design principles of a traditional Ukrainian house;
- the unification of Ukrainian ethnic features;
- the combination of ecological and national motifs;
- the use of traditional color schemes;
- the use of arts and crafts products in interior design.

The combination of national ethnic motifs with modern traditional trends is important for developing modern ethnic interior design.
